The people of Red Lake are proud of their rich history and value the vital role that the Heritage Centre plays in fostering cultural awareness and tourism opportunities in the community.

You can help us build a lasting legacy for Red Lake's future generations by purchasing a tile for the Donor Wall Legacy Fund.

Honour someone special in your life; acknowledge someone you admire; recognize an artist that inspired you. Celebrate a special anniversary, a retirement or any other special event. Express your sympathy or pay tribute to the memory of a loved one.

Funds raised through this project go primarily towards special projects, exhibits and school education programs. Charitable tax receipts are issued for the full amount of the tiles purchased.

For more information visit the Heritage Centre in person, give us a call, or send us an e-mail. You can also purchase tiles **on-line** by visiting our website at [www.redlakemuseum.com](http://www.redlakemuseum.com). Print an image of the wall showing which tiles are still available, circle the tile you wish to purchase, and fax or e-mail us your information. When tiles are purchased in *Honour* or *In Memoriam*, a personalized card in acknowledgement of the tile is sent to the individual or family being honoured, without reference to its size.
